Soft skills

- Creative writing *I can get to know the topic and write interesting texts.*
- Solving conflicts *Highly developed empathy allows me to easily understand a conflict partner.*
- Ease of making contacts *By asking unconventional questions I quickly gain the sympathy of others.*
- Ability to work under pressure *5 years of work in gastronomy taught me how to deal with stress.*

Hobbies

- Photography *I take my camera everywhere trying to use every moment to develop my skills.*
- Self-learning *The world has so many things to offer, so I want to know as much as possible about it. I am a fan of popular science books, documentaries and lots of online courses.*
- Djembe *After many years without contact with music, African drums woke up a new type of creativity in me.*
- Plants *Growing plants and learning about them is fascinating to me.*
